

PUBLIC NOTICE
YOU HAVE A VOICE IN AIR POLLUTION CONTROL IN ARIZONA

The Arizona Department of Environmental Quality (ADEQ) has reached a preliminary determination and is proposing to re-issue the Air Quality Control General Permit for Generators. The proposed re-issuance of the General Permit is to include new federal standards. The proposed General Permit is subject to the requirements of the federal Clean Air Act, Arizona Revised Statute 49-426, and Arizona Administrative Code, Title 18, Chapter 2, Articles 3, 6, 7, and 8. The proposed General Permit will limit emissions of the following types of air contaminants: Nitrogen oxides, sulfur dioxide, carbon monoxide, volatile organic compounds, and particulate matter.

You have an opportunity to submit written comments on the General Permit and make oral comments on the General Permit at a public hearing to be held by ADEQ. ADEQ will hold a Public Hearing on Monday, September 17, 2007 at 6:00 p.m. at the ADEQ building, room 250, 1110 West Washington, Phoenix, Arizona 85007. Written comments shall state the name and mailing address of the person, shall be signed by the person, their agent or attorney and shall clearly set forth reasons why the permit should or should not be issued. Grounds for comment are limited to whether the Permit meets the criteria for issuance spelled out in the state air pollution control laws or rules. Comments should be directed to: Director, Air Quality Division, Arizona Department of Environmental Quality, 1110 West Washington Street, 3415A-1, Phoenix, Arizona 85007-2935 and must be received by September 17, 2007.

Materials related to the General Permit are available for your review at ADEQ's office at 1110 West Washington Street, Phoenix, Arizona, at the ADEQ Northern Regional Office, 1801 W. Route 66, Suite 117, Flagstaff, AZ 86001, and at the ADEQ Southern Regional Office, 400 West Congress Street, Suite 433, Tucson, AZ 85701.

ADEQ will consider all comments received in making a final decision on the proposed General Permit. Everyone commenting will receive notification of the final decision. People who file comments on the General Permit will have the right to appeal the final decision as an appealable agency action to the Office of Administrative Hearing (OAH) pursuant to §41.1092.03, and the appeal must be filed within thirty (30) days after the issuance of the final decision. The OAH may sustain, modify, or reverse the final decision.

Persons with a disability may request a reasonable accommodation such as a sign language interpreter, by contacting Linda Morrison (602) 771-4794 TDD phone 771-4829. Requests should be made as early as possible to allow time to arrange the accommodation.

If you would like to receive copies of future Public Notices of air pollution control permits, please provide a typewritten or a clearly printed copy of your name, address, and ZIP code, to the Director of Air Quality Division at ADEQ's address shown above. Your request should also state that you wish your name to be placed on the air quality permit mailing list.

If you have any questions or would like to find out more information about the General Permit, please contact Trevor Baggiore at (602) 771-2321 or at ADEQ's address shown above.
